FAMILY MEETING

We will be having a Family Meeting on March 10th at 2pm and again at 6pm in the chapel for families members on the long term care side. There are no major issues to discuss, but as we currently don't have an active Family Council it is an opportunity for family members to give feedback on any issues of concern. We will also use the time to go over any developments or projects we have underway. If you are unable to attend but would like to have an item discussed, please let Kelly know. We will write up a summary in the April newsletter.
